AUDIT COMMITTEE CHARTER (As Amended on December 11, 2003)

The Audit Committee ("the Committee"), of the Board of Directors ("the Board") of Armanino Foods of Distinction, Inc. ("the Company"), will have the oversight responsibility, authority and specific duties as described below.

COMPOSITION

The Committee will be comprised of three or more directors as determined by the Board. The Committee shall be composed exclusively of directors who are independent of the management of the Company and are free of any relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as a Committee member. At least one of the members shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, as required by Nasdaq rules. The members of the Committee will be elected annually at the organizational meeting of the Board. One of the members of the Committee will be elected Committee Chairman by the Board, provided that the Committee Chairman shall have those qualifications mandated by applicable law and Nasdaq listing requirements.

RESPONSIBILITY

The Committee is a part of the Board. Its primary function is overseeing the accounting and financial reporting processes and audits of the financial statements of the Company and assisting the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to stockholders and filed with the Securities and Exchange Commission ("SEC"); and (ii) the system of internal controls that management has established.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the public accounting firm engaged for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company, and such public accounting firm must report directly to the Committee. In addition, the Audit Committee must pre-approve all non-audit services provided by the independent auditors.

The Committee must establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, including procedures for the confidential, anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters. In addition, the Committee provides an avenue for communication between the independent auditors, financial management and the Board. The Committee should have a clear understanding with the independent auditors that they must retain

an open relationship with the Committee, and that the ultimate accountability of the independent auditors is to the Board and the Committee.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. These functions are conducted by the Company's management and the independent auditors. It is also not the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors or to assure compliance with laws and regulations and the Company's business conduct guidelines.

In addition to its responsibilities relating to auditing and accounting matters, the Committee will also be responsible for approving related party transactions as required by Nasdaq listing requirements

AUTHORITY

Subject to the prior approval of the Board, the Committee is granted the authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company. In that regard, the Committee will have the authority to engage independent counsel and other advisors to render advice and counsel in such matters. The Committee will also have the authority to determine the amount of funding appropriate for the compensation of the auditors and any independent counsel or advisors engaged by the audit committee and ordinary administrative expenses in carrying out its duties. All employees will be directed to cooperate with respect thereto as requested by members of the Committee.

MEETINGS

The Committee is to meet no less than four times annually (prior to the filing of the Company's quarterly and annual reports with the SEC) and as many additional times as the Committee deems necessary. The Committee is to meet in separate executive sessions with the chief financial officer, and independent auditors at least once each year and at other times when considered appropriate. The Committee shall keep minutes, and other relevant records and report its activities to the Board regularly. The Committee shall provide copies of its minutes to the Secretary of the Company for inclusion in the Company's corporate records.
